

18<sup>th</sup> November, 2015

Dear All

Thank you so much for your support of the 2UE Radiothon/20<sup>th</sup> Anniversary Celebrations.

The 2UE Radiothon was a massive success, raising over \$1.5 million!

This money will make a real difference to our care of children and support their families. It was also a fun-filled day that was enjoyed by the entire hospital community.

Our patients had the most wonderful time and your kindness and generosity helped make it a very special day.

Many of the children and young people in our care have a difficult journey and a day like the Radiothon can provide them with some positive memories of their stay in hospital – and most importantly fun.

We are very fortunate to have individuals and organisations like you support us.

On behalf of all the staff, our patients and their families, please accept our sincere thanks.

With kind regards

Des Poeling-Oer & Debra Fowler
